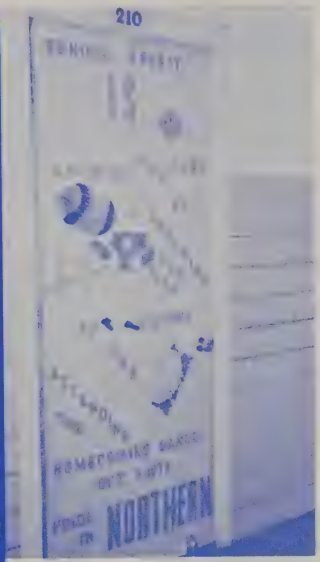
SCHOOL LIFE

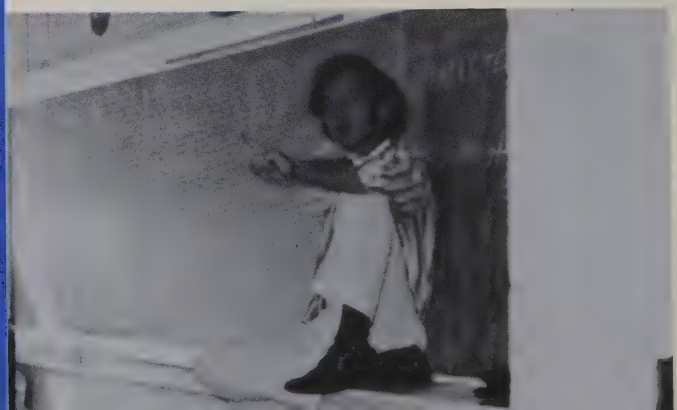
SEPTE

Once again students began the mad rush to school, this year on September 7, 1972. Much awaited. This day proved to be the reunion of friends from previous years, the first look at back to school fashions on actual models.

Lack of school spirit, always a problem at Northern, was given a chance to solve itself. The Varsity cheerleaders organized a door decoration contest with the class members with the winning homeroom door getting a free pass to the Northern-Meyersdale football game. The winning door pictured to the right was decorated by Mrs. Yunker's 11-C Homeroom.



Mr. Neville, returning French teacher, resumed his original perch so familiar to students of the language. He was caught off-guard by our wandering photographer who was wondering.



MBER 1972

Perhaps the most important refuge from study halls is the library. Stocked with new books, popular magazines, and a daily paper, students congregate in the library to relieve study hall boredom. English classes make more use of the library for research projects. Heading the library is Miss Williams with Mrs. Bender as her able assistant.

Learning to serve future hubbies, several girls in the Home Economics Dept. prepared and served the meal to several "courageous" faculty members. It seemed to be a pleasant meal as everyone is all smiles.

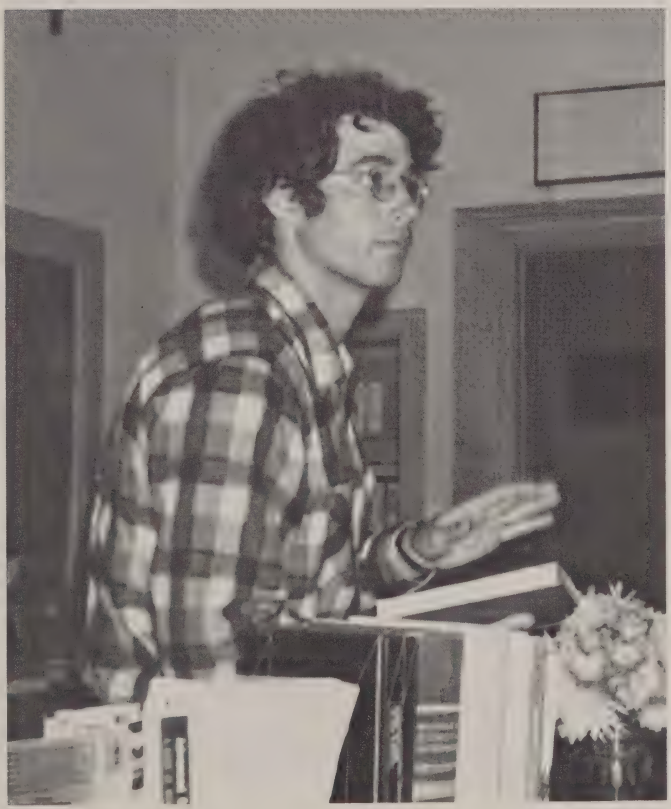
The girls basketball team, a first here at NHS, set out to have an undefeated season. Through great determination and ability they did just that. The pictures above show a few scenes of Andrew's Army in action.

September was also a time for football, and this meant hours and hours of practice. Led by Coach Vent, the Husky Puppies showed great enthusiasm and desire to win.

As a tenth grader, Phil Dice gets his turn at the wheel under the direction of Mr. Douds. All sophomores get a chance to increase their driving skills.

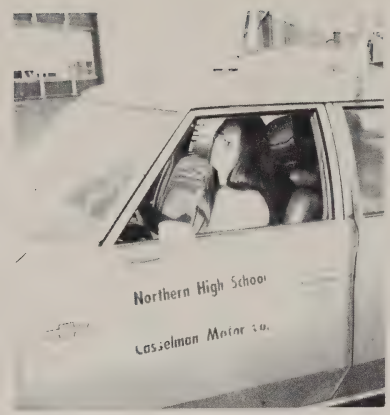
Last but not least; what could be more exciting than a bird's eye view of the garbage can?

The wild antics of the Junior Band are seen almost every day. . .Miss Miller's desk may have been neat in the first month of school, but now... Mr. Epstein, poet-writer, visits English classes at Northern once a week . . .Mrs. Sines takes a few moments of her precious time to yell at her faithful staff.



OCTOBER

Football season was in full swing at this time. Our Homecoming Queen, Karmen Glotfelty, was escorted by Julius Carey. Andrew's Army was also having their victories, cheered on by our J.V. Cheerleaders.

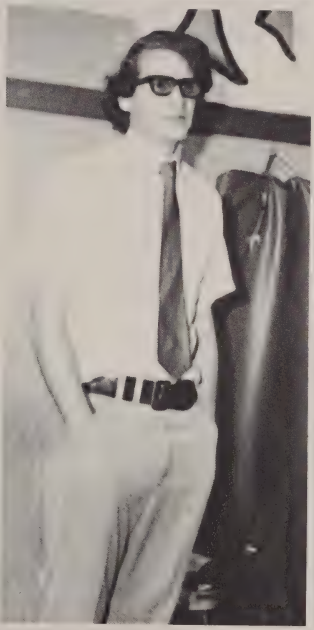


Driver Education students, taking full advantage of the beautiful October weather, drive Mr. Douds to his destination.

The battling football team once again drove for yardage in order to win critical games.

The Autumn Glory parade was highlighted by the Princess' float, along with Queen Gloria and her maids of Honor.

Obviously, the school didn't pay their water bill and the drinking fountain was removed. (?)



The Senior Band paid tribute to Veterans on Veterans day in a short, simple ceremony by the flag in front of NHS.
The Immortals provided musical entertainment at the annual Homecoming Dance.

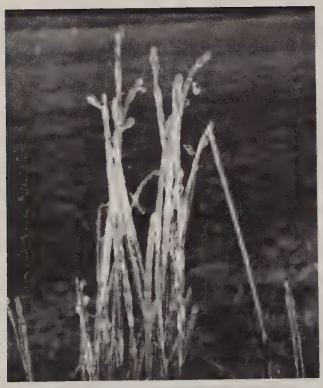
Various activities took place during October. A repairman was summoned to fix a broken water fountain. Screams were heard throughout the gym when snakes were brought out during an Antrim Bureau Show. Northern met Southern on the football field and in a girls' basketball game. The development of a cocoon into a butterfly was a big attraction in room 116.

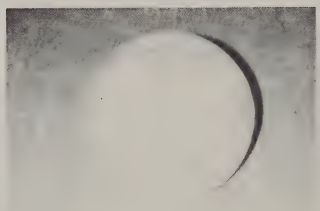
NOVEMBER

The third annual Yearbook auction was a major highlight of November. Teachers and students joined in a spirit of fun. Auctioneers Raymond Bender and Frank Murray donated their time and voices to bring the North Star Staff a grand total of $337.65.

A new feature, lasting through December, took place in the Senior Home Ec. class. Mrs. DeWitt taught the art of cake decorating. Cakes were displayed to the public at PTSA.

November entertainments were football and girls' basketball. Instead of the usual winter's snow, Mother Nature sent ice, ice, and more ice. Preparing for basketball season, boys started spending evenings after school for practice.





With the band playing, majorettes and cheerleaders performing, and everyone clapping, we sing our school song during a pep session on the lunch shifts.
High Homerooms in the Magazine Campaign, 7A and 11D, received a pizza party as their reward.
The Pep Band practiced regularly in preparation for their performances at football games.

November comes to an end at last! Juniors are thrilled, as always, at the thought of receiving their rings. And of course, everyone is excited at the thought of Christmas coming and of the snow which has fallen. The wrestlers are hard at work getting in shape for the coming season.

DECEMBER

Garrett County's 3rd Jr. Miss Pageant was held on Dec. 2, 1972, with Nancy Frazee, Brenda Frazee, & Pauline Hanft participating.

Miss Eileen Blackman, Maryland's Jr. Miss, along with Ellen Hershberger, Garrett County's Jr. Miss 1971, crowned Miss Theresa Harvey from Southern, Jr. Miss 1972.

Mrs. Benyak's Home Ec. class created delights for the Christmas holidays.

Along with preparations for the great event of the Senior Party, December activities included a pep rally to introduce the Basketball and Wrestling teams.
A wrestling match with Southern on school time provided an opportunity to watch the Grapplers perform for the student body.
Mr. Posey met with Seniors to discuss graduation announcements, Senior keys and pins.

The Sr., Jr., and 7th grade choruses presented a wonderful program for the Christmas season. The songs included the Halleluia Chorus from the Messiah.

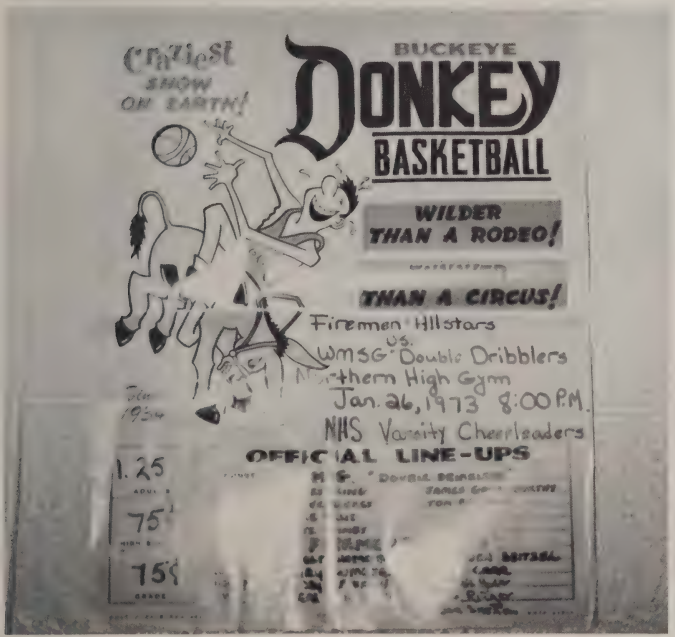
Miss Harris, French student teacher for the second term, gave 9-B a party consisting of French foods.

During the Sr. Tea, seniors feasted on several delicate pastries.

Miss Theresa Harvey from Southern was crowned by Miss Eileen Blackman, Maryland's 1971 Jr. Miss.

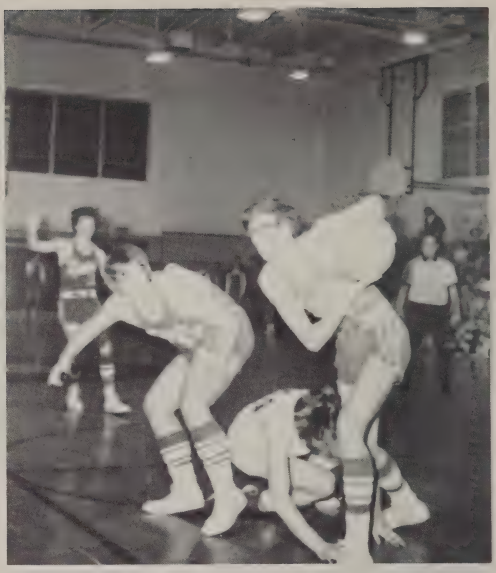
JANUARY

January--a new year, new resolutions, a new beginning! The ski club purchased a pair of skis to be loaned to members. In the picture at the right, Don Richter takes first place in the annual Oratorical Contest sponsored by the American Legion. Donkey Basketball, sponsored by Varsity cheerleaders as a fund-raising project, came in with a bang. Sophomores began their first drive to raise money as Rex found its way into their hands.



Along with her unbelievable spring weather, January brought assorted activities. Among these were wrestling and club initiation. Lunch shifts were highlighted by solos and a group feature of the "feminine" Lettermens' singing the school song.
An important change took place when Miss Wucik moved from the Business Department to the "reading room" to take the position of Vocational Guidance Counselor.

The Sammy Hall Singers' stay in Garrett County proved to be eventful for Northern. Sammy and his gang brought fun, laughter, music, and something to think about. In return, students showed their Husky spirit in two standing ovations.



As January ends, the student body is quite excited about the annual Northern-Southern basketball game. Jeff Layman is one member of our hard working team in this game. The wrestlers are hard at work every wrestling match. Our small but powerful Jr. High Basketball team is also striving to come on top!

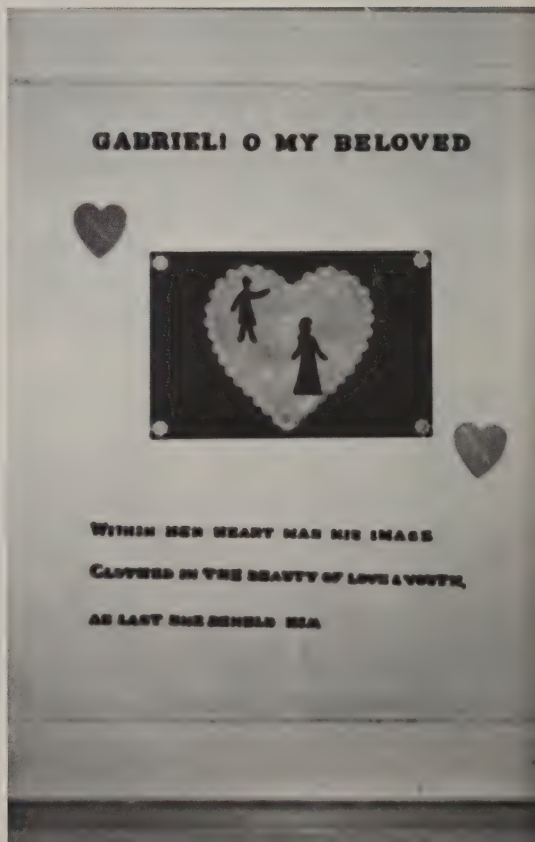
FEBRUARY

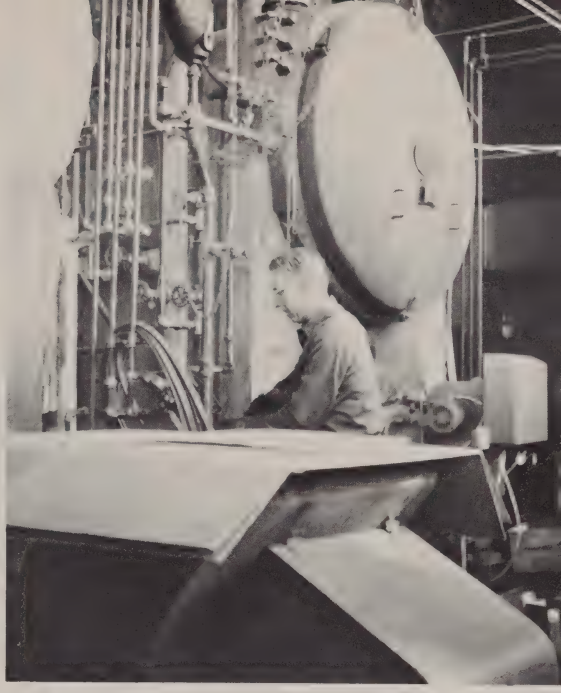
February opened with a variety of activities. The 7th graders were thrilled and excited about Billy's "real live guinea pig;" the whole student body was treated to an Antrim Bureau show about "the Living Camera", the eye; and the Jr. High students viewed a film as a result of their effort in selling magazines.

The FFA, also very active this month, was presented a new Ford tractor by Mr. Clayton Arnold. The newly formed Jr. High Chapter of the FFA was presented a charter by Mr. James Pope, State Executive Secretary of the FFA.

Snow in the midst of winter in Garrett County became an oddity during 1972 and 1973. Capturing the white gold near the school house was indeed a freak accident. However; later through the month, snow became more apparent and a special offer of half-price on rentals and lift tickets was offered to Northern students and faculty at the Wisp.

Crowds of people visited Northern in the evenings to give the basketball team moral support, while others took care of their private lives. Lovers of all ages recreate during this month the love shown by Evangeline towards Gabriel in Longfellow's "Evangeline".





"Stop the presses!"
The reporters have
a scoop! Getting the
news, as it really
is, to the public, the
Viking writers
strive for perfection.

February participated
in the ordeal of three months of
converting the boilers to fuel
oil heat. No more carrying
the coal in five gallon
buckets, eh janitors?

The J.V. basketball players,
providing preliminary
entertainment for Varsity
basketball games, once
again begin another
grueling night.

The annual Heart Fund Campaign, sponsored by the Nike Club, involved the entire student body. The Campaignwas climaxed by a game between Andrews' Army and Bishop Walsh. Half-time ceremonices included comments by Mrs. Lewis, Executive Secretary of W. Md. Heart Association, who crowned the Queen, Debi Thomas. Bob Frazee presented the queen with red roses. Senior Chorus members began preparation for musical drama "Fiddler on the Roof" as they auditioned for roles.

MARCH

Miss Wucik's Career Corner, Northern's new vocational guidance center, progressed rapidly with several job opportunities posted during March.

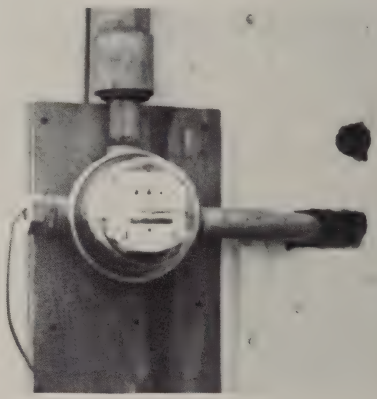
Kathy Russell represented Northern at the Science and Humanities Symposium on March 22-24 at Baltimore.

Cathy Reckner, Terri Georg, Steve Morris, and Kevan Monn completed an enlightening weekend band workshop at Shenendoah Conservatory of Music, Winchester, Va.

Another addition to Northern's livestock, the new baby lambs grew quite rapidly.

We ask with Shelly, "O wind, if winter comes, can spring be far behind?" No matter how mild a winter may be, people are always excited about the advent of sprnig. But Garrett County spring is always marked by one or two snow-storms beautifying the still bare woodlands.

After a seemingly endless waiting period, electricity was provided to the school barn. The final hookup was a result of hard work and learning by all involved. However, the learning didn't end with the hookup, as both Mr. Loughrie and Steve Wiley are sure to point out.



For the first time in the history of Northern High wrestling, a wrestler placed in the State. Lee Sutherland, a senior wrestler in the 155 lb. weight class, placed third in the state. Lee is one of only two from the county to do so since wrestling tournaments began.

SENIORS

CLASS PRAYER

God,

Our futures are uncertain; yet we have our goals. We feel insecure and yet the world has bound us. We are so inexperienced; yet we are what we are because of all that we have experienced.

Our hearts are filled with unspoken dreams; yet we yearn for a life of reality. We feel alone in our tumult; yet others have experienced the same. We are searching for the Truth; yet we know Your way.

This time is filled with tears of good-bye; yet life is calling our name. In spite of the tumults and doubts, in spite of our human frailties, we can look to the future with Faith, knowing that with You, we cannot fail; without You, we can never succeed.

The long years of sharing and friendship that have brought us this far are all behind. For these memories and the people who have played their part in them, we thank You, God.

Bless each of our lives; help us to reach out to others so that by helping others, we can help ourselves. Guide us with Your Spirit, and point the way ahead. Encircle us with Your Love, and clasp Your hand in ours, now and always.

Amen

CLASS HISTORY

In the beginning there were five--Grantsville, Friendsville, Accident, Rt. 40, and Yoder. Little did we realize that after six years we'd meet as one at Northern High to become her one and only graduating Class of '73. Adapting readily to Northern throughout our Junior High years, we anxiously awaited Senior High.

Before we knew it, we were sophomores, choosing Sheila Edwards as president, Philip Livengood as vice-president, Connie Butler as secretary, Sheila Buckel as treasurer and Sandy Livengood as historian to lead us through our first year of Senior High. Outstanding people and happenings of 10th grade included Connie Butler's reigning as 10th grade princess, escorted by Julius Carey, at the annual Autumn Glory Pageant. Sheila Buckel and Anita Skidmore wherechosen for the Varsity cheerleader squad. Chosen for Senior High majorette was Brenda Frazee. Representing our class as an officer in the Student Council was Bob Frazee as treasurer. Receiving awards were Gary Reckner and Nathan Yoder. Gary was awarded Most Improved member of Senior Band. A certificate was presented to Nathan for ranking above ninety per centile on the NEDT test. Climaxing our year as sophomores was the class picnic at Pleasant Valley. The picnic not only consisted of food and games but included mini lessons in various things such as golf, exploring the peat bog and examining snakes.

Commencing our Junior year, we elected Julius Carey, president; Don Durst, vice-president; Sheila Buckel, secretary; and Connie Butler, treasurer. Eleventh grade princess and escourt for Autumn Glory were Sheila Buckel and Jeff Ferguson. Showing a good year in wrestling, Lee Sutherland, Julius Carey, and Morris Warnick made 1st Bi-County. Placing 2nd sectional, Lee received the Doug Carey Memorial Award. Julius made 1st sectional while Morris placed 2nd sectional and 4th regional. Being the only NHS athlete to do so, Jeff Ferguson lettered in three sports--football, wrestling, and baseball. Scoring ninety percentile and above on the physical fitness test, Brenda Sines and Kathy Fauber received the Presidential Physical Fitness badge. The Flying Fingers typing awards were presented to Donna Oester and Pauline Hanft. Receivig the W. O. W. History Awards were Sheila Edwards and Don Richter. The John Philip Sousa Award was presented to Don Richter. Lee Sutherland received an award for the Most Improved Member of the Senior Band. With the funds from selling candy, the Junior-Senior Banquet-Prom was held at the Wisp. The theme, "We've Only Just Begun," was sung by Gail Stockslager, accompanied by Jim Michael. Presenting certain seniors various "awards," Becky Tressler and Brad Frantz were M. C.'s for the banquet portion of the evening.

Seniors--a most rewarding year! Officers were Don Richter, president; Don Durst, vice-president; Connie Butler, secretary; Sandy Bishoff, treasurer; Sheila Edwards, historian; and Jeff Ferguson, parliamentarian. Nathan Yoder became Editor of the Viking. Editor of the North Star was Bob Frazee. Maid of Honor for Autumn Glory was Sheila Buckel, escourted by Don Richter. Sandy Bishoff, escorted by Julius Carey, was senior princess for the pageant. Senior responsibilities in the Student-Faculty Senate were held by Bob Frazee, president; Sheila Edwards, vice-president; Geri Taylor, secretary; and Don Durst, senior representative. Don Richter became president of the band council with Karmen Glotfelty serving as vice-president; Pauline Hanft, secretary; and Gary Reckner, senior representative. Chorus officers included Sheila Buckel, president; Gail Stockslager, vice-president; and Nancy Frazee, secretary. Karmen Glotfelty, escourted by Julius Carey, reigned as our Homecoming Queen. Other candidates were Sheila Buckel, Bev Brenneman, Connie Butler, Anita Skidmore, Brenda Frazee, Kathy Fauber, and Sandy Bishoff. Don Richter and Julius Carey were chosen as Co-Captains for the Husky football team. Undefeated, Andrews Army was the first girls basketball team at Northern, with Kathy Fauber as Captain and Sheila Edwards as Co-Captain. Elected captain of the Varsity cheerleader squad was Sheila Buckel, with Anita Skidmore as Co-Captain. Co-Captains for the Grapplers were Julius Carey and Lee Sutherland. Julius was named to the Tri-Valley all-star offensive unit, while Lee Sutherland, Lynn Brenneman, and Walter Meyers received honorable mention. Brenda Frazee was chosen head majorette. Representing NHS in the Jr. Miss Pageant were Brenda Frazee, Nancy Frazee, and Pauline Hanft. With the theme "I Can See Clearly Now," the Senior Party was held in the cafetorium. Music was by "The Flisp". Giving its farewell gift, the Home Ec department sponsored a Senior Tea. A Senior Dinner was prepared by the cafeteria staff in honor of the seniors.

Climaxing six sensational years was graduation. So we end--or do we begin?

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition. and Josten's products have become tangible symbols honoring perseverance and achievement.
